# exactly what you need...

# since 1964

Through their continually developing range of integrated, specialist services, EXACT MOVES can provide you with the most cost effective and time efficient solutions for a seamless business move.

## The Knowledge

With considerable industry experience and expertise at its disposal, EXACT MOVES provide a 'one stop' solution for all your potential relocation and storage requirements.

Regardless of scale and complexity, our formidable team of move planners will correctly interpret the principal objectives of the proposed business change and provide a cost effective solution and events programme guaranteeing minimum disruption and dislocation to your own business.

Proper planning prevents poor performance. Always be exact.

## BUSINESS MOVES TAILORED TO MEET YOUR NEEDS; EVERY TIME, ON TIME AND ON BUDGET

## The Approach

When you move with EXACT, you can be sure that you will be dealing with a team of logistics professionals who are dynamic, proactive and passionately committed to moving your business on time and within budget.

From the initial sales interface, through move planning and co-ordination and, finally, the execution of the move itself. Our philosophy of attention to detail coupled with our extensive logistics experience will ensure a seamless and on time service delivery.

Getting it right – first time, every time. Always being exact.

## The Awareness

Having successfully moved thousands of businesses of varying size; from a single employee to multi-national organisations. We are aware of the potential pitfalls and myriad of outside influences that will determine how quickly you are able to resume normal business activities following the move.

Through proactive planning and interface prior to the event, we will be able to identify any negative influences and propose solutions to minimise or negate the potential effect of these.

A-Z solutions for your move from A-B. Always be exact.

**EXACT are our move contractor of choice. They are reliable, conscientious and always give attention to detail.**

**Always on time and well equipped with staff that are polite and hardworking".**
